The Code of Virginia states "the comprehensive plan shall be general in nature, in that it shall designate the general or approximate location, character, and extent of each feature shown on the plan." Recommended land use boundaries shown here should therefore be considered generalized. Zoning change recommendations based on this plan may take into consideration other factors not addressed in this plan. These boundaries and the future development potential of any property based on the recommendations of this plan should be confirmed with the Chesterfield County Planning Department. The maps contained in the comprehensive plan are dynamic and in a continuing state of review and upgrade.

The notes geography is generalized. For more information, please contact Chesterfield County Planning Department.
